

Build or Elevate Your Practice with Lifestyle Nutrition's Metabolic Counseling Program[®]

A nutrition program based on patients eating healthy supermarket food and long term lifestyle changes without selling diet products or packaged foods. Our proprietary software can incorporate any supplement into your client's program!

Provides Custom Programs for Long Term Weight Loss, Weight Gain or Maintenance, Cardiac, Diabetic, Sports Nutrition, Mediterranean, Atkins, Keto, Zone, Pregnancy, IBS, Metabolic Typing, Alkaline, Blood Type, Vegetarian, Pritikin Like & Many More

Focuses on Disease Prevention & Management, Not Just Weight Loss

Adds Credibility to Your Practice, Generates Referrals, Increases Patient Loyalty & Respect from Community & Peers Unlike Most Programs

60% Less Expensive & Substantially More Profitable for the Doctor than Commercial or Supplement Programs

WIDE OPEN MARKET! Minimal Competition -Online Programs & Point Counting are Ineffective

For 30 years we have ENJOYED supporting and training over 900 physicians' practices nationwide

**COMPLETE YOUR
MEAL PLAN
QUESTIONNAIRE**

**Call to Schedule Your
Nutritional Webinar with our
Licensed Clinical Nutritionists**

Please invite your clinical and administrative staff to join the webinar. Your staff feedback is an important part of your evaluation.

Give Your Patients A *New Lifestyle*...Not Just Another Diet![®]
